**Enter a new era
of crypto trading.**

Legal Disclaimer

The purpose of this whitepaper is to provide a roadmap for KVX.com and the KVX Token. This document does not have a legally binding power. Only the User Agreement published on KVX.com UAB's website has a legally binding power and nothing else. KVX.com UAB's website and this paper are intended for general informational purposes only and do not constitute a legal, financial and/or tax advice, nor it is a prospectus, an offer document, an offer of securities, a solicitation for investment, or any offer to sell any product, item or asset (whether digital or otherwise). You should engage your own legal, tax or business advisor(s) if you wish to receive guidance before engaging in any activity herewith. Neither KVX.com UAB or any of its employees, developers who have worked on the projects as defined below, nor any service provider shall be liable for any kind of direct or indirect damage or loss whatsoever which you may suffer in connection with accessing this paper or any information published on the KVX.com website, or any other material published by the company.

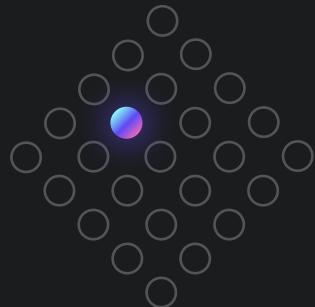

The information outlined hereafter may not be exhaustive and it does not imply, in any shape or form, any element of a contractual relationship. The company cannot provide any assurance as to the accuracy or completeness of such information and no such warranty can be provided. Nothing in the paper, or on the company website constitutes any offer for buying or selling anything. Nothing contained in the paper or the website is or may be relied upon as a promise, representation or undertaking as to the future performance of the company or the KVX Token. The KVX Token constitutes a digital asset and does not qualify as a financial instrument or security and therefore does not require a prospectus pursuant to the EU Prospectus Regulation (Regulation (EU) 2017/1129). Digital assets, including KVX Token, are speculative in nature and involve a high degree of risk and uncertainty.

The information set out in the paper and the website is for community discussion only and is not legally binding. No person is bound to enter into any contract or binding legal commitment in relation to the information outlined in the paper or on the website.

Introduction

KVX is a state-of-the-art trading platform, making crypto investment accessible, intuitive, and secure.

We believe that digital assets will bring a fundamental change to how people across the globe view money. Our technological and business expertise, strong partnerships, and innovative solutions allow us to stand out, disrupt financial services and lead the way to a customer-oriented, better future.

Our company KVX.com UAB (Registration code: 306125960), is an authorized Virtual Asset Service Provider with headquarter in Vilnius, Lithuania.

Trading Reimagined

KVX was built from the ground up with traders in mind.

FIAT payment

Buy crypto with a credit/debit card. Deposit or receive FIAT via wire transfer.

... and more.

We add new exciting features regularly.

Aspects

The KVX platform is built and maintained by an experienced team dedicated to delivering the best trading experience.

01. Security

Safekeeping assets, user data, and information is our number one priority. We maintain end-to-end bank-grade protection and undergo extensive third-party audits.

02. Design

Our well-thought-out processes and clean design allow users to handle various investment types and trading strategies intuitively. On any device, anywhere, anytime.

03. Performance

The high-performance trading infrastructure is designed for when it is needed most. Users can rely on our expertise in cutting-edge technologies to deliver world-class software.

04. Flexibility

Markets and technical requirements may vary over time - we are ready for change. Our customer focus and ability to quickly adopt makes our platform unique.

About Us

We are on a mission to simplify investing in digital assets - for a better financial future.

Integrity

We build on trust, and transparency and make decisions based on a consistent framework of strong moral principles.

Innovation

We are open to new ideas and concepts that challenge the conventional view of modern-day technology.

Passion

Knowing our purpose and following our hearts, we grow personally and professionally to change the world for the better.

Excellence

To ensure high-quality, best-in-class products and services, we go above and beyond expectations in all aspects.
